SAMRAT POLY RESINS · DORAHA, LUDHIANA

Become a Samrat dealer

Samrat Poly Resins makes unsaturated polyester resins at its own plant in Doraha, Ludhiana, and supplies FRP and composite manufacturers across India. We are appointing dealers who sell resin and FRP raw materials to fabricators in their area.

MANUFACTURER

Made at our own reactor hall in Doraha, Punjab

REACTOR HALL · DORAHA

Since 2017	ISO 9001:2015	51 products	Data sheets
Resin manufacturer, Doraha	Certified quality management system	In 9 product categories	A technical data sheet for each resin grade

The product range

Our resins are grouped in four chemistry families, each with its own SPR code. Every grade is supplied with its catalogue entry and technical data sheet.

SPR 201
Orthophthalic polyester

14 grades: general-purpose laminating, quartz marble, button, clear casting, cooling tower, sheet and roof-light, SMC/DMC, fire-retardant and gelcoat.

SPR 301
Isophthalic polyester

10 grades for water, chemical and outdoor service, including oil-storage tank, solvent-resistant, filament winding and isophthalic gelcoat.

SPR 401
Terephthalic polyester

5 grades: SMC and DMC resins, fire-retardant gelcoat, pultrusion grade and the SPR 401 TL tooling resin.

SPR 501
Vinyl ester

1 grade, for corrosion-resistant FRP linings and chemical-service composites.

Epoxy and casting
Epoxy art resin, clear casting resin, fiberglass epoxy resin, bisphenol resin and epoxy hardener.

Hardeners
MEKP hardener and cobalt octoate accelerator, to sell with the resin.

FRP allied products
Glass fibre mat, polyester pigments, styrene monomer, NC thinner, soapstone powder, wax polish and brushes.

Why stock Samrat

- **Direct from the plant.** You buy from the company that makes the resin, at Doraha, Punjab.
- **Paperwork your customers ask for.** A technical data sheet for each resin grade, and a 2026 product catalogue with the grade codes.
- **One supplier for the full set.** Resin, gelcoat, hardener, accelerator, glass fibre mat, pigment and allied products.
- **Technical backing.** The team that formulates the grades helps with grade selection, processing questions and trials.
- **Certified quality system.** ISO 9001:2015, certificate SP/QMS/RK/01/689, valid until 4 July 2032.

What Samrat gives you

- **Leads from your territory.** Enquiries we receive from your area are passed to you for secondary sales.
- **Sales team support.** Our sales team assists you with secondary sales within your territory.
- **Catalogue and technical data sheets.** The 2026 product catalogue and a technical data sheet for each grade you stock.

Terms in brief

A summary of the Samrat Poly Resins Dealership Agreement. The signed agreement governs.

TERRITORY	You are appointed for an agreed area or city. Selling outside it needs our written consent.
ORDERS	First order approximately ₹8 lakh, then one full truck (35–40 drums) per order.
HOW TO ORDER	A purchase order (PO) against our written quotation. An order is accepted on receipt of the PO, the 50% advance and the post-dated cheque (PDC) for the balance.
RATES	Ex-factory, Doraha. A quotation is valid for 48 hours from the time it is sent. Only rates given in writing (quotation, email or WhatsApp) are valid; verbal rates are not binding.
DEALER RATES	Sent in writing with each quotation.
PAYMENT	50% advance with the order (PO); balance within 21 days of delivery, secured by PDC.
SECURITY	One signed security cheque, drawn on your firm's account, when the agreement is signed.
DISPATCH	Within 7 days of receiving the PO and the 50% advance, except in unavoidable circumstances. A new consignment is dispatched once all previous dues are cleared.
PACKING	Products are sold only in their original packing: no repacking, relabelling or mixing.

1. Send your details

Firm name, city, GSTIN, the products you sell now and your monthly volume.

2. Rates and a visit

We send rates in writing and arrange a visit to your shop.

3. Sign and order

Sign the dealership agreement and place your first order.
